#### 6. Volume discounts

Discounts are applied to invoiced services for shipments transported with a specific airline carrier within one calendar month, as follows:

For recipients who have received more than 15,000 kilograms gross weight of incoming cargo within one calendar month with a specific airline – 6% of the invoiced services under points 1 and 2 for the recipient's shipments with the specific airline for the respective calendar month in which the volumes were achieved.

For recipients who have received more than 30,000 kilograms gross weight of inbound cargo within one calendar month with a specific airline – 19% of the services invoiced under points 1 and 2 for the recipient's shipments with the specific airline for the respective calendar month in which the volumes were achieved.

For the use of the discount, a credit note is issued within 5 working days of receiving a written request from the respective recipient, accompanied by a complete inventory of the shipments for the calendar month in which the volumes were achieved.

The discount is granted to legal entities or individuals named as the consignee on the relevant air waybill. Combinations between volumes of different legal entities or individuals are not permitted.

In the event of arrival or departure of cargo at the Operator's warehouse divided into more than one flight or vehicle, all services are paid based on the prices in the Price List applicable to each partial shipment separately.
