6. **Storage**, leva per day of stay in the warehouse:

6.1. No storage fee is charged for outbound shipments for which a flight reservation has been made no later than the next day after their delivery to the warehouse of Aviation Services Bulgaria OOD. The storage fee, in the event that the shipment is delivered to the warehouse of Aviation Services Bulgaria OOD earlier than the deadline in the previous sentence, is paid by the Counterparty as follows:

	cargo not requiring special handling	special cargo
for every 100 kg, for every 24 hours started	21,50 BGN /10,99 EUR	62,00 BGN /31,70 EUR

6.2. In the event of a flight delay or cancellation, full or partial unloading due to the fault of the air carrier, the sender shall not be liable for storage for an additional period of 1 calendar day for special cargo, or 2 calendar days for cargo not requiring special handling. The additional period shall start from the day for which the cargo was originally booked for a flight. Storage after this additional period shall be paid by the sender as follows:

	cargo not requiring special handling	special cargo
for every 100 kg, for every 24 hours started	21,50 BGN /10,99 EUR	62,00 BGN /31,70 EUR

6.3. Additional charge for radioactive shipments – 289,00 BGN/147,76 EUR plus 43,50 BGN/22,24 EUR for each 100 kg or part thereof for each day. No storage-free period applies to radioactive shipments.

“Special shipments/cargo” means the following categories of cargo requiring specific handling and/or storage conditions, including, but not limited to cargo with handling codes BIG , DGR, HEA , ICE, RRE, REQ, AVI, AVF, VUN, VAL, HUM, HEG, LHO, MUW, PER, PIL , COL, FRO, PEM, PES, PEF, PEP , ELI , ELM and other cargo requiring

specific handling, including, but not limited to, special production, weapons and ammunition, oversized cargo (cargo with any of the dimensions exceeding 240cmx150cmx114cm) and heavy cargo (cargo with code HEA), as well as other categories of cargo which, due to their physical or other characteristics, require special conditions or procedures for their handling or storage. Special shipments/cargo include cargo on whose transport packaging are labels or markings for storage at a certain temperature or other special conditions. Special shipments / cargo include any other cargo, the handling or storage of which requires specific conditions and/or procedures, or certain restrictions apply. Special shipments / cargo include any other cargo, the handling or storage of which is associated with specific risks, including, but not limited to: valuable cargo, securities, including tax stamps, excise stamps and the like, works of art, excise goods (e.g. cigarettes, alcohol and others), weapons and/or ammunition, military equipment, goods with possible dual use, ammunition, hunting and sporting weapons, special equipment, high-value equipment (electronic or other), medicines, cargo exposed to an increased risk of theft, other goods, if their handling, storage and transportation require, depending on their characteristics, value, characteristics, legal and other requirements, the application of special procedures or conditions and/or are exposed to an increased risk, including, but not limited to, theft and/or loss and which are associated with increased liability, and/or which require special licenses, approvals, organization or procedures.

All additional services not specified in this Price List are paid additionally at current rates, periodically determined by Aviation Services Bulgaria OOD.

This Price List replaces all previous price lists of Aviation Services Bulgaria OOD for the processing of outbound cargo. The provisions of the General Terms and Conditions of Aviation Services Bulgaria OOD for the processing of cargo and mail and other related activities in their current version are applicable. In case of any conflict, the provisions contained in the Price List will prevail . Prices do not include VAT.
